UNIVERSITY INSTITUTE of COMPUTING

NAAC GRADE A+ Accredited University

Certificate

This is to certify that Ritika Kalra, a student of Master of Computer Applications (MCA) – Artificial Intelligence and Machine Learning , has successfully completed the Mini Project titled "Course Enrollment Portal" under the esteemed guidance of Mr. Sanjeev Kumar , Assistant Professor, University Institute of Computing (UIC), Chandigarh University.

This project was undertaken as a part of the academic curriculum and is submitted in partial fulfilment of the requirements for the MCA program. The work presented in this project is a result of team work, diligent effort, and dedication, demonstrating the student's ability to apply theoretical knowledge to practical problem-solving.

The project, "Course Enrollment Portal" is a MERN stack (MongoDB, Express.js, React.js, and Node.js) based project designed to manage course registrations, maintain student enrollment records, track real-time seat capacities across academic branches, and monitor milestone learning progress to support data-driven academic administration.

I hereby confirm that this project is an original work carried out by the student and has not been submitted elsewhere for the award of any other degree, diploma, or certification.

Acknowledgement

I would like to express my sincere gratitude to **Chandigarh University** and the **University Institute of Computing (UIC)** for providing me with the opportunity to undertake this project, **"Course Enrollment Portal"**.

I extend my heartfelt appreciation to my esteemed mentor, **Mr. Sanjeev Kumar , Assistant Professor**, for his invaluable guidance, continuous support, and insightful feedback throughout the project. His expertise in **Web Technologies, Software Engineering, and MongoDB Database Systems** played a crucial role in the successful completion of this project.

This project has been an incredible learning experience, and I hope it serves as a foundation for further exploration in **Full-Stack Web Development and Database Management Systems**.
